

# Pro-Life Petition to the Oklahoma Legislature Urging Passage of the Personhood Act

We urge the members of the Oklahoma Senate and House of Representatives to enact, during the 2012 session of the Oklahoma Legislature, the Personhood Act, SB 1433, by Sen. Brian Crain and Rep. Lisa Billy, which affirms that “The life of each human being begins at conception,” and that “The laws of this State shall be interpreted and construed to acknowledge on behalf of the unborn child at every stage of development, all the rights, privileges, and immunities available to other persons, citizens, and residents of this State.”
