

# Candidate Survey for June 16, 2026, Primary Election

Each election year beginning in 1980 we have surveyed candidates for public office regarding various life issues so that Oklahoma's pro-life citizens may have accurate information about candidates' positions on these important questions. Oklahomans For Life is our statewide right-to-life organization, affiliated with the National Right to Life Committee. In anticipation of the Primary Election on Tuesday, June 16, 2026, Oklahomans For Life asked the ten questions below of candidates for Oklahoma's non-federal statewide offices, as well as for the Oklahoma state Senate and the Oklahoma state House of Representatives.

For state Senate and House races, the counties, or partial counties (marked by an asterisk), in each district are indicated after the district number. The abbreviation after a candidate's name indicates party affiliation: Republican, (Rep); Democrat, (Dem); Libertarian, (Lib); or Independent, (Ind). The candidates' yes or no answers to each of the ten questions are shown. A dash ( - ) indicates the candidate did not answer that question. **On each question, a "yes" answer indicates agreement with the position of Oklahomans For Life.**

## Oklahomans For Life 2026 Candidate Survey Questions

*On each question, a "yes" answer indicates agreement with the position of Oklahomans For Life.*

- 1) The 2022 *Dobbs* decision of the U.S. Supreme Court ruled that there is no "right to abortion" in the U.S. Constitution and overturned the 1973 *Roe v. Wade* and *Doe v. Bolton* decisions, and the 1992 *Planned Parenthood v. Casey* decision – thus freeing up states to now be able to regulate abortion. Do you support the *Dobbs* decision which allows the Oklahoma legislature to pass laws protecting the lives of unborn children? Yes \_\_\_ No \_\_\_
- 2) Oklahoma law now prohibits abortion except to save the life of the mother. Do you support this law? Yes \_\_\_ No \_\_\_
- 3) Some groups support the prosecution of post-abortive women as criminals. We do not agree with that approach. Women often are victims themselves, due to pressure, abandonment, abuse, or coercion. We believe that to win the hearts and minds of our culture to support the pro-life ethic, helping women with challenging pregnancies is the better approach. Do you agree that post-abortive women should not be prosecuted as criminals? Yes \_\_\_ No \_\_\_
- 4) Will you support increased funding for the Choosing Childbirth Program so that, as Oklahoma law protects the lives of unborn children and help is needed by increasing numbers of girls and women with unexpected problem pregnancies, Oklahoma's many Pregnancy Resource Centers will have the resources necessary to assist with counseling, ultrasounds, baby supplies, parenting programs, temporary shelter, *etc.*? Yes \_\_\_ No \_\_\_
- 5) There is currently an aggressive drive underway to legalize euthanasia and assisted suicide across the United States. Causing the starvation or dehydration deaths of persons with disabilities and of incompetent patients who are deemed to be a burden on others or to have a diminished "quality of life" is the euthanasia movement's interim goal while they seek eventual public acceptance of killing by lethal injection or by lethal overdose of controlled substances/dangerous drugs. Oklahoma's Hydration and Nutrition for Incompetent Patients Act protects incompetent persons who have not directed that they be deprived of food and water so they will not be victims of death by starvation or dehydration. Will you oppose any attempt to repeal or weaken this protective law? Yes \_\_\_ No \_\_\_
- 6) Oklahoma's Nondiscrimination in Treatment Act requires that a health care provider shall not deny to a patient a life-preserving health care service the provider provides to other patients, and the provision of which is directed by the patient or a person authorized to make health care decisions for the patient: 1) On the basis of a view that treats extending the life of an elderly, disabled, or terminally ill individual as of lower value than extending the life of an individual who is younger, nondisabled, or not terminally ill; or 2) On the basis of disagreement with how the patient or person authorized to make health care decisions for the patient values the tradeoff between extending the length of the patient's life and the risk of disability. Will you oppose any attempt to repeal or weaken this protective law? Yes \_\_\_ No \_\_\_

7) Oklahoma law protects against the involuntary denial of life-saving medical treatment by requiring that if a health-care provider’s refusal to comply with a decision made by or on behalf of a patient to receive life-saving medical treatment would, in reasonable medical judgment, be likely to result in the patient’s death, then the health-care provider must provide the life-saving treatment pending transfer of the patient to a willing provider. Will you oppose any attempt to repeal or weaken this protective law? Yes \_\_\_ No \_\_\_

8) Oklahoma’s advance directive (living will) law recognizes the particular importance of food and water. In order to ensure truly informed consent, our law requires a separately-initialed paragraph in an advance directive in order for artificial administration of food and water to be rejected. Some proposals have been made that would, instead, combine food and water with “medical treatment” such as ventilators or surgery, so that choosing to forego life-sustaining medical treatment would be assumed to mean the individual wanted to die by starvation and dehydration. In order to avoid confusion and protect individuals who expect to die from their underlying illness or injury, not from starvation or dehydration, will you oppose any bill that would repeal or weaken the existing requirement for a separately-initialed provision in an advance directive to indicate the rejection of food and water? Yes \_\_\_ No \_\_\_

9) Will you oppose attempts to weaken the safeguards and informed-consent protections whereby a person may express his or her wishes for life-preserving care under Oklahoma’s Uniform Health Care Decisions Act of 2026? Yes \_\_\_ No \_\_\_

10) Will you oppose the legalization of lethal prescriptions or lethal injections to intentionally kill an innocent person or to “assist” someone in committing suicide (“active euthanasia”)? Yes \_\_\_ No \_\_\_

## Candidate responses are below.
